Prevent. Promote. Protect.

Minnesota Vaccine Program for Children (MnVFC) 18 years of age and younger

- Children who do not have health insurance
- Children who have health insurance that does not cover vaccinations
- Children on Minnesota Medical Assistance (MA), MinnesotaCare, or a Prepaid Medical Assistance Program (PMAP)
- Children who are American Indian or Alaskan Native

*If your child has insurance that covers the cost of vaccines or has insurance that does not cover vaccines until a deductible has been met, they are not MnVFC eligible.
